To: Water customers
From: Lyon Township

Re: Water flushing schedule

The Township will be conducting the Spring water flushing from April 15 – April 19, 2019. We ask that all residents on the Township water system limit their water use between the hours of 9:00 am and 4:00 pm during that week.

The new water treatment is now online and we will be conducting a high-pressure flush to help clean sediment from the lines. **This will cause discolored water.** The water is completely safe to drink, cook and bath in.

The schedule will be as follows:

April 15th – Woodwind, S. L. East HS, Lyon Ridge, Copperwood, Kirkway Estates, Cambrian of Lyon, Rathmor Park, Walnut Creek, Legacy of Lyon and Enclaves of Lyon

April 16th – Tanglewood, 10 Mile / Griswold, Stoneleigh, Riverwood Estates

April 17th – Hornbrook, Carriage Club, Heights of Elkow, Crystal Creek, Pine Hurst

April 18th – New Hudson, Pontiac Trail, Martindale, Twin Pines, Orchards of Lyon, Pendleton Park, Saddle Creek, Milford Rd – Grand River to Mill River, Mill River, Spring Meadows

April 19th – New Hudson, Grand River, Lyon Ind., Lyon Oaks, Trident, U.S. Foods, Quadrants Ind., Research Center, Blue Cross/Blue Shield, Haas Road, Cummins Inc, Henrob, Magna

Please contact Highland Treatment at 248-889-1922 with any questions regarding the water flushing.

Thank you,

Lyon Township
