

# Lyon Township Municipal Water Customers No Longer Under A Precautionary Boil Water Advisory

For Immediate Release

**July 17, 2019**

A precautionary boil water advisory has been lifted for the Charter Township of Lyon municipal water customers.

Township officials this morning lifted the precautionary boil water advisory which went into effect at about 10:45 a.m. Monday when the water system had a brief loss of pressure. The advisory was issued for 48 hours to allow for testing to confirm everything is clear. Both tests came back negative of any bacteria.

As of time 9:00 a.m. this morning, **the precautionary advisory is officially lifted.**

This advisory did not affect residents with private wells.

Boil water notice information is available on our website at: [www.lyontwp.org](http://www.lyontwp.org) as well as the official township Facebook page.

For more information, please contact Bob Martin, DPW Director at 248-437-2240.
